Where there is an entry in column 9 on the basis of actual measurement, the whole of the amount previously paid without defailed measurement should be adjusted by minus entry in column 2 equivalent to the amount shown in column 1, so that "Total up to date" in column 3 may become 'Nil'.
 When there are two or more entries in column 9 relating to each sub-head of extinate they should, in the case of work the accounts of which are kept by sub-head, be totaled and total recorded in column 10 for posting in the works abstract.
