

# FIELD INSPECTION REPORT

|                        |                                                                                                                                        |              |             |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------------|--------------|-------------|
| Date of Inspection :   | 02/12/2020                                                                                                                             | District:    | Munger      |
| Division :             | Munger                                                                                                                                 | Length (km): | 0.600       |
| Name of the Road:      | Ajitgandhi Purvika Lalhatwar me Rasthara Vagar ke Star to Jai Kishan<br>Ras. Ke Star me Bhagwati Ashram to Abdesha Raj ke Star to top. |              |             |
| Scheme/Programme:      | MAINTENANCE                                                                                                                            | M/R - 3054   |             |
| Package No.:           |                                                                                                                                        | Road Id No.: | 20803700860 |
| Status of the Project: | Ongoing/Completed/Under Maintenance                                                                                                    |              |             |
| Work is a case of:     | New Connectivity/Up gradation/ Maintenance                                                                                             |              |             |

| Sl. No. | Parameters to be checked                                                                                             | Remarks                                      |
|---------|----------------------------------------------------------------------------------------------------------------------|----------------------------------------------|
| 1.      | Pavement                                                                                                             |                                              |
| a)      | Road Junction condition                                                                                              | S/U S                                        |
| b)      | Condition of Surfacing                                                                                               | S/U S                                        |
| c)      | Riding Quality                                                                                                       | S/U S                                        |
| d)      | Road Camber                                                                                                          | S/U S                                        |
| e)      | Whether free from defects such as visible cracks, exposed aggregates in case of CC Pavement.                         | Yes/No S                                     |
| f)      | Contraction Joints provided or not (CC Pavement)                                                                     | Yes/No S                                     |
| g)      | Compaction of flank/slope & raincuts if any                                                                          | Yes/No                                       |
| 2.      | Cross Drainage                                                                                                       |                                              |
| a)      | Condition of head walls in Hume pipe culverts including its painting                                                 | S/SRI/A                                      |
| b)      | Condition of Abutment & Wing walls, Slab in RCC culverts                                                             | S/SRI/A                                      |
| c)      | Condition of railings/slab/approach for Bridges                                                                      | S/SRI/A                                      |
| 3.      | Road Furniture                                                                                                       |                                              |
| a)      | Whether sign boards/informatory/cautionary Board/km & 200m stones/Pavement road markings are provided and maintained | S<br>Yes/No                                  |
| 4.      | Compliance History                                                                                                   |                                              |
| a)      | Status of ATR's & any others                                                                                         | 1 km stone, 200 stone not in good condition. |

Overall Rating :

|                                             |   |
|---------------------------------------------|---|
| Satisfactory (S)                            | S |
| Satisfactory but requires Improvement (SRI) |   |
| Unsatisfactory (U)                          |   |
