

# FIELD INSPECTION REPORT

|                        |                                                                                                         |              |         |
|------------------------|---------------------------------------------------------------------------------------------------------|--------------|---------|
| Date of Inspection :   | 31/12/20                                                                                                | District:    | Gaya.   |
| Division :             | Imamganj.                                                                                               | Length (km): | 4.5 km. |
| Name of the Road:      | Beninagar to Vistayla Visunpur.                                                                         |              |         |
| Scheme/Programme:      | MAINTENANCE                                                                                             |              |         |
| Package No.:           | M.R.N/1920/mon-04                                                                                       | Road Id No.: |         |
| Status of the Project: | Ongoing/Completed/Under Maintenance <input checked="" type="checkbox"/> E/W R Surface work in progress. |              |         |
| Work is a case of:     | New Connectivity/Up gradation/ Maintenance <input checked="" type="checkbox"/>                          |              |         |

| Sl. No. | Parameters to be checked                                                                                        | Remarks         |
|---------|-----------------------------------------------------------------------------------------------------------------|-----------------|
| 1.      | Pavement                                                                                                        |                 |
| a)      | Road Junction condition                                                                                         | S/U U           |
| b)      | Condition of Surfacing                                                                                          | S/U U           |
| c)      | Riding Quality                                                                                                  | S/U U           |
| d)      | Road Camber                                                                                                     | S/U U           |
| e)      | Whether free from defects such as visible cracks, exposed aggregates in case of CC Pavement.                    | Yes/No No.      |
| f)      | Contraction Joints provided or not (CC Pavement)                                                                | Yes/No Yes.     |
| g)      | Compaction of flank/slope & raincuts if any                                                                     | Yes/No No.      |
| 2.      | Cross Drainage                                                                                                  |                 |
| a)      | Condition of head walls in Hume pipe culverts including its painting                                            | S/SRI/U SRI.    |
| b)      | Condition of Abutment & Wing walls, Slab in RCC culverts                                                        | S/SRI/U SRI.    |
| c)      | Condition of railings/slab/approach for Bridges                                                                 | S/SRI/U S       |
| 3.      | Road Furniture                                                                                                  |                 |
| a)      | Whether sign boards/informatory/cautionary Board/km & stones/Pavement road markings are provided and maintained | 200m Yes/No No. |
| 4.      | Compliance History                                                                                              |                 |
| a)      | Status of ATR's & any others                                                                                    | No A.T.R.       |

Overall Rating :

|                                             |   |
|---------------------------------------------|---|
| Satisfactory (S)                            |   |
| Satisfactory but requires Improvement (SRI) |   |
| Unsatisfactory (U)                          | U |
