

## FIELD INSPECTION REPORT

| Date Of Inspection                     |                                                                                                                      | District <i>Bhojpur</i>  |
|----------------------------------------|----------------------------------------------------------------------------------------------------------------------|--------------------------|
| Division <i>Piro</i>                   |                                                                                                                      | Length (km): <i>2.40</i> |
| Name of the Road:                      | <i>Fatehpur Kushadibra PMSY Road To Ranni High School</i>                                                            |                          |
| Scheme/Programme                       | MAINTENANCE                                                                                                          |                          |
| Package No.: <i>MR-N/19-20 Piro/16</i> | Road Id No.:                                                                                                         |                          |
| Status of the Project :                | Ongoing/Completed/Under Maintenance                                                                                  |                          |
| Work is a case of :                    | New, Connectivity/Up gradation/Maintenance                                                                           |                          |
| SI No.                                 | Parameters to be checked                                                                                             | Remarks                  |
| 1                                      | Payment <i>Agreement not done</i>                                                                                    |                          |
| a)                                     | Road Junction condition                                                                                              | S/U                      |
| b)                                     | Condition of Surfacing                                                                                               | S/U                      |
| c)                                     | Riding Quality                                                                                                       | S/U                      |
| d)                                     | Road Camber                                                                                                          | S/U                      |
| e)                                     | Whether free from defects such as visible cracks, exposed aggregates in case of CC Pavement                          | Yes/No                   |
| f)                                     | Contraction Joints provided or not (CC Pavement)                                                                     | Yes/No                   |
| g)                                     | Compaction of flank/slope & raincuts if any                                                                          | Yes/No                   |
| 2                                      | Cross Drainage                                                                                                       |                          |
| a)                                     | Condition of head walls in Hume pipe culverts including its painting                                                 | S/SRI/U                  |
| b)                                     | Condition of Abutment & Wing walls, Slab in RCC culverts                                                             | S/SRI/U                  |
| c)                                     | Condition of railings/slab/approach for Bridges                                                                      | S/SRI/U                  |
| 3                                      | Road Furniture                                                                                                       |                          |
| a)                                     | Whether sign boards/informatory/cautionary Board/km & 200m stones/Pavement road markings are provided and maintained | Yes/No                   |
| 4                                      | Compliance History                                                                                                   |                          |
| a)                                     | Status of ATR's & any others                                                                                         |                          |

Overall Rating

|                                             |  |
|---------------------------------------------|--|
| Satisfactory (S)                            |  |
| Satisfactory but requires Improvement (SRI) |  |
| Unsatisfactory (U)                          |  |
