

# FIELD INSPECTION REPORT

| Date of Inspection : 4/12/2020                              | District: Madhepura                                                                                                  |         |
|-------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------|---------|
| Division : Uda Kisungang                                    | Length (km): 7.120 km                                                                                                |         |
| Name of the Road: Madheli chowk to Rautara Balia, Bala tola |                                                                                                                      |         |
| Scheme/Programme:                                           | MAINTENANCE                                                                                                          |         |
| Package No.:                                                | Road Id No.:                                                                                                         |         |
| Status of the Project:                                      | Ongoing/Completed/Under Maintenance                                                                                  |         |
| Work is a case of:                                          | New Connectivity/Up gradation/ Maintenance                                                                           |         |
| Sl. No.                                                     | Parameters to be checked                                                                                             | Remarks |
| 1.                                                          | Pavement                                                                                                             | S/U     |
| a)                                                          | Road Junction condition                                                                                              | S/U     |
| b)                                                          | Condition of Surfacing                                                                                               | S/U     |
| c)                                                          | Riding Quality                                                                                                       | S/U     |
| d)                                                          | Road Camber                                                                                                          | S/U     |
| e)                                                          | Whether free from defects such as visible cracks, exposed aggregates in case of CC Pavement.                         | Yes/No  |
| f)                                                          | Contraction Joints provided or not (CC Pavement)                                                                     | Yes/No  |
| g)                                                          | Compaction of flank/slope & raincuts if any                                                                          | Yes/No  |
| 2.                                                          | Cross Drainage                                                                                                       |         |
| a)                                                          | Condition of head walls in Hume pipe culverts including its painting                                                 | S/SRI/U |
| b)                                                          | Condition of Abutment & Wing walls, Slab in RCC culverts                                                             | S/SRI/U |
| c)                                                          | Condition of railings/slab/approach for Bridges                                                                      | S/SRI/U |
| 3.                                                          | Road Furniture                                                                                                       |         |
| a)                                                          | Whether sign boards/informatory/cautionary Board/km & 200m stones/Pavement road markings are provided and maintained | Yes/No  |
| 4.                                                          | Compliance History                                                                                                   |         |
| a)                                                          | Status of ATR's & any others                                                                                         |         |

Overall Rating :

|                                             |   |
|---------------------------------------------|---|
| Satisfactory (S)                            | 1 |
| Satisfactory but requires Improvement (SRI) | 2 |
| Unsatisfactory (U)                          | 3 |
