

# FIELD INSPECTION REPORT

|                        |                                                                                      |              |             |
|------------------------|--------------------------------------------------------------------------------------|--------------|-------------|
| Date of Inspection :   | 07-12-2020                                                                           | District:    | Vaidhali    |
| Division :             | Mahmar                                                                               | Length (km): | 10.140 Km   |
| Name of the Road:      | SH-93 Bidapur to Maishauli NH-103 Hote Huga Railway Station<br>bidapur to R. C. D. h |              |             |
| Scheme/Programme:      | MAINTENANCE                                                                          |              |             |
| Package No.:           |                                                                                      | Road Id No.: | 31507408030 |
| Status of the Project: | Ongoing/Completed/Under Maintenance (This road has been transferred to R.C.D.)       |              |             |
| Work is a case of:     | New Connectivity/Up gradation/ Maintenance (New Constructed by R.C.D.)               |              |             |

| Sl. No. | Parameters to be checked                                                                                             | Remarks |
|---------|----------------------------------------------------------------------------------------------------------------------|---------|
| 1.      | <b>Pavement</b>                                                                                                      |         |
| a)      | Road Junction condition                                                                                              | S/U     |
| b)      | Condition of Surfacing                                                                                               | S/U     |
| c)      | Riding Quality                                                                                                       | S/U     |
| d)      | Road Camber                                                                                                          | S/U     |
| e)      | Whether free from defects such as visible cracks, exposed aggregates in case of CC Pavement.                         | Yes/No  |
| f)      | Contraction Joints provided or not (CC Pavement)                                                                     | Yes/No  |
| g)      | Compaction of flank/slope & raincuts if any                                                                          | Yes/No  |
| 2.      | <b>Cross Drainage</b>                                                                                                |         |
| a)      | Condition of head walls in Hume pipe culverts including its painting                                                 | S/SRI/U |
| b)      | Condition of Abutment & Wing walls, Slab in RCC culverts                                                             | S/SRI/U |
| c)      | Condition of railings/slab/approach for Bridges                                                                      | S/SRI/U |
| 3.      | <b>Road Furniture</b>                                                                                                |         |
| a)      | Whether sign boards/informatory/cautionary Board/km & 200m stones/Pavement road markings are provided and maintained | Yes/No  |
| 4.      | <b>Compliance History</b>                                                                                            |         |
| a)      | Status of ATR's & any others                                                                                         |         |

Overall Rating :

|                                             |   |
|---------------------------------------------|---|
| Satisfactory (S)                            | S |
| Satisfactory but requires Improvement (SRI) |   |
| Unsatisfactory (U)                          |   |
