

# FIELD INSPECTION REPORT

|                                                                                                                                                      |                          |
|------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------|
| Date of Inspection : 07.12.2020                                                                                                                      | District: Madhubani      |
| Division : Phulparas                                                                                                                                 | Length (km): 2.030 km    |
| Name of the Road: Kariant to Amchizi                                                                                                                 |                          |
| Scheme/Programme: MAINTENANCE                                                                                                                        |                          |
| Package No.:                                                                                                                                         | Road Id No.: 31909908021 |
| Status of the Project: <input checked="" type="checkbox"/> Ongoing/ <input type="checkbox"/> Completed/ <input type="checkbox"/> Under Maintenance   |                          |
| Work is a case of: <input checked="" type="checkbox"/> New Connectivity/ <input type="checkbox"/> Up gradation/ <input type="checkbox"/> Maintenance |                          |

| Sl. No. | Parameters to be checked                                                                                             | Remarks                                    |
|---------|----------------------------------------------------------------------------------------------------------------------|--------------------------------------------|
| 1.      | <b>Pavement</b>                                                                                                      |                                            |
| a)      | Road Junction condition                                                                                              | S/U                                        |
| b)      | Condition of Surfacing                                                                                               | S/U                                        |
| c)      | Riding Quality                                                                                                       | S/U                                        |
| d)      | Road Camber                                                                                                          | S/U                                        |
| e)      | Whether free from defects such as visible cracks, exposed aggregates in case of CC Pavement.                         | Yes/No                                     |
| f)      | Contraction Joints provided or not (CC Pavement)                                                                     | Yes/No                                     |
| g)      | Compaction of flank/slope & raincuts if any                                                                          | Yes/No                                     |
| 2.      | <b>Cross Drainage</b>                                                                                                |                                            |
| a)      | Condition of head walls in Hume pipe culverts including its painting                                                 | S/SRI/U                                    |
| b)      | Condition of Abutment & Wing walls, Slab in RCC culverts                                                             | S/SRI/U                                    |
| c)      | Condition of railings/slab/approach for Bridges                                                                      | S/SRI/U                                    |
| 3.      | <b>Road Furniture</b>                                                                                                |                                            |
| a)      | Whether sign boards/informatory/cautionary Board/km & 200m stones/Pavement road markings are provided and maintained | Yes/No <input checked="" type="checkbox"/> |
| 4.      | <b>Compliance History</b>                                                                                            |                                            |
| a)      | Status of ATR's & any others                                                                                         |                                            |

Overall Rating :

|                                             |     |
|---------------------------------------------|-----|
| Satisfactory (S)                            |     |
| Satisfactory but requires Improvement (SRI) | SRI |
| Unsatisfactory (U)                          |     |

New agreement Dt. 23.11.2020. Work not started yet
