

# FIELD INSPECTION REPORT

|                         |                                                                                                                          |               |           |
|-------------------------|--------------------------------------------------------------------------------------------------------------------------|---------------|-----------|
| Date of Inspection :    | 10/12/2020                                                                                                               | District :    | Bhagalpur |
| Division :              | RWD (W) DIV. Nangachhia                                                                                                  | Length (km) : | 2.676     |
| Name of the Road :      | Dastola Mirjafasi to Durga Ashan Dhsuganj Road No. 14                                                                    |               |           |
| Scheme/Programme :      | Maintenance                                                                                                              |               |           |
| Package No. :           | MR-N/2019-20 NAVGAMMA/10                                                                                                 | Road Id No. : |           |
| Status of the Project : | Ongoing/Completed/Under Maintenance                                                                                      |               |           |
| Work is a case of :     | New Connectivity/Up gradation/Maintenance                                                                                |               |           |
| Sl. No.                 | Parameteres to be checked                                                                                                | Remarks       |           |
| 1                       | Pavement                                                                                                                 |               |           |
| a)                      | Road Junction condition                                                                                                  | S/U           |           |
| b)                      | Condition of Surfacing                                                                                                   | S/U           |           |
| c)                      | Road Quality                                                                                                             | S/U           |           |
| d)                      | Road Camber                                                                                                              | S/U           |           |
| e)                      | Whether free from defects such as visible cracks, exposed aggregates in case of CC Pavement.                             | Yes/No        |           |
| f)                      | Contraction Joints provided or not (CC Pavement)                                                                         | Yes/No        |           |
| g)                      | Compaction of flank/slope & raincuts if any                                                                              | Yes/No        |           |
| 2                       | Cross Drainage                                                                                                           |               |           |
| a)                      | Condition of head walls in Hume pipe culvert including its painting.                                                     | S/SRI/U       |           |
| b)                      | Condition of Abutment & Wing walls, Slab in RCC culverts.                                                                | S/SRI/U       |           |
| c)                      | Condition of railings/slab/approach for Bridges                                                                          | S/SRI/U       |           |
| 3                       | Cross Drainage                                                                                                           |               |           |
| a)                      | Whether sign boards/informatory/cautionary Boards/ km & 200m stones/Pavements roads marking are provided and maintained. | Yes/No        |           |
| 4                       | Compliance History                                                                                                       |               |           |
| a)                      | Status of ATR's & any others                                                                                             |               |           |

Overall Rating :

|                                             |  |
|---------------------------------------------|--|
| Satisfactory (S)                            |  |
| Satisfactory but requires Improvement (SRI) |  |
| Unsatisfactory (U)                          |  |
