

# FIELD INSPECTION REPORT

| Date of Inspection :   | 10/12/2020                                                                                                           | District:    | Muzaffarpur                                                      |
|------------------------|----------------------------------------------------------------------------------------------------------------------|--------------|------------------------------------------------------------------|
| Division :             | R.W.D. Muzaffarpur East                                                                                              | Length (km): | 2.067 K.M                                                        |
| Name of the Road:      | Vishnu Jagdish Raghubir rai house to Hasan Banth.                                                                    |              |                                                                  |
| Scheme/Programme:      | MAINTENANCE (masonry)                                                                                                |              |                                                                  |
| Package No.:           |                                                                                                                      | Road Id No.: |                                                                  |
| Status of the Project: | Ongoing/Completed/Under Maintenance                                                                                  |              |                                                                  |
| Work is a case of:     | New Connectivity/Up gradation/ Maintenance                                                                           |              |                                                                  |
| Sl. No.                | Parameters to be checked                                                                                             | Remarks      |                                                                  |
| 1.                     | Pavement                                                                                                             |              |                                                                  |
| a)                     | Road Junction condition                                                                                              | SU           |                                                                  |
| b)                     | Condition of Surfacing                                                                                               | SU           |                                                                  |
| c)                     | Riding Quality                                                                                                       | SU           |                                                                  |
| d)                     | Road Camber                                                                                                          | SU           |                                                                  |
| e)                     | Whether free from defects such as visible cracks, exposed aggregates in case of CC Pavement.                         | Yes/No       |                                                                  |
| f)                     | Contraction Joints provided or not (CC Pavement)                                                                     | Yes/No       |                                                                  |
| g)                     | Compaction of flank/slope & raincuts if any                                                                          | Yes/No       | Some portions, flank damage due to over top of flood water 2020. |
| 2.                     | Cross Drainage                                                                                                       |              |                                                                  |
| a)                     | Condition of head walls in Hume pipe culverts including its painting                                                 | S/SRI/U      |                                                                  |
| b)                     | Condition of Abutment & Wing walls, Slab in RCC culverts                                                             | S/SRI/U      |                                                                  |
| c)                     | Condition of railings/slab/approach for Bridges                                                                      | S/SRI/U      |                                                                  |
| 3.                     | Road Furniture                                                                                                       |              |                                                                  |
| a)                     | Whether sign boards/informatory/cautionary Board/km & 200m stones/Pavement road markings are provided and maintained | Yes/No       |                                                                  |
| 4.                     | Compliance History                                                                                                   |              |                                                                  |
| a)                     | Status of ATR's & any others                                                                                         |              |                                                                  |

Overall Rating : Some portion of B.T surface damage due to over top of flood water 2020.
