# FIELD INSPECTION REPORT

|                        |                                                                                                                      |              |           |
|------------------------|----------------------------------------------------------------------------------------------------------------------|--------------|-----------|
| Date of Inspection:    | 16/12/2020                                                                                                           | District:    | Bhagalpur |
| Division:              | Kehalgam                                                                                                             | Length (km): | 1.50 Km   |
| Name of the Road:      | paraichak to NH31                                                                                                    |              |           |
| Scheme/Programme:      | MAINTENANCE                                                                                                          | GTSNY        |           |
| Package No.:           |                                                                                                                      | Road Id No.: |           |
| Status of the Project: | Ongoing/Completed/Under Maintenance Under Maintenance                                                                |              |           |
| Work is a case of:     | New Connectivity/Up gradation/ Maintenance                                                                           |              |           |
| Sl. No.                | Parameters to be checked                                                                                             | Remarks      |           |
| 1.                     | Pavement                                                                                                             |              |           |
| a)                     | Road Junction condition                                                                                              | S/S          | S         |
| b)                     | Condition of Surfacing                                                                                               | S/S          | S         |
| c)                     | Riding Quality                                                                                                       | S/S          | S         |
| d)                     | Road Camber                                                                                                          | S/S          | S         |
| e)                     | Whether free from defects such as visible cracks, exposed aggregates in case of CC Pavement.                         | Yes/No       | Yes       |
| f)                     | Contraction Joints provided or not (CC Pavement)                                                                     | Yes/No       | NA        |
| g)                     | Compaction of flank/slope & raincuts if any                                                                          | Yes/No       | NA        |
| 2.                     | Cross Drainage                                                                                                       |              |           |
| a)                     | Condition of head walls in Hume pipe culverts including its painting                                                 | S/SR/U       | S         |
| b)                     | Condition of Abutment & Wing walls, Slab in RCC culverts                                                             | S/SR/U       | NA        |
| c)                     | Condition of railings/slab/approach for Bridges                                                                      | S/SR/U       | NA        |
| 3.                     | Road Furniture                                                                                                       |              |           |
| a)                     | Whether sign boards/informatory/cautionary Board/km & 200m stones/Pavement road markings are provided and maintained | Yes/No       | Yes       |
| 4.                     | Compliance History                                                                                                   |              |           |
| i)                     | Status of AFR's & any others                                                                                         | No           |           |

Overall Rating

|                                             |   |
|---------------------------------------------|---|
| Satisfactory (S)                            | S |
| Satisfactory but requires Improvement (SRI) |   |
| Unsatisfactory (U)                          |   |
