

# FIELD INSPECTION REPORT

| Date of Inspection : 11/12/2020     | District: CHAYA                                                                                                      |         |
|-------------------------------------|----------------------------------------------------------------------------------------------------------------------|---------|
| Division : SHERSHATI                | Length (km): 0.927                                                                                                   |         |
| Name of the Road: 696-10370 NADIYAN |                                                                                                                      |         |
| Scheme/Programme: MAINTENANCE       | Road Id No.: 1265                                                                                                    |         |
| Package No.:                        |                                                                                                                      |         |
| Status of the Project:              | Ongoing/Completed/Under Maintenance                                                                                  |         |
| Work is a case of:                  | New Connectivity/Up gradation/ Maintenance                                                                           |         |
| Sl. No.                             | Parameters to be checked                                                                                             | Remarks |
| 1.                                  | Pavement                                                                                                             | S/U     |
| a)                                  | Road Junction condition                                                                                              | S/U     |
| b)                                  | Condition of Surfacing                                                                                               | S/U     |
| c)                                  | Riding Quality                                                                                                       | S/U     |
| d)                                  | Road Camber                                                                                                          | S/U     |
| e)                                  | Whether free from defects such as visible cracks, exposed aggregates in case of CC Pavement.                         | Yes/No  |
| f)                                  | Contraction Joints provided or not (CC Pavement)                                                                     | Yes/No  |
| g)                                  | Compaction of flank/slope & raincuts if any                                                                          | Yes/No  |
| 2.                                  | Gross Drainage                                                                                                       | S/SR/U  |
| a)                                  | Condition of head walls in Hume pipe culverts including its painting                                                 | S/SR/U  |
| b)                                  | Condition of Abutment & Wing walls, Slab in RCC culverts                                                             | S/SR/U  |
| c)                                  | Condition of railings/slab/approach for Bridges                                                                      | S/SR/U  |
| 3.                                  | Road Furniture                                                                                                       | Yes/No  |
| a)                                  | Whether sign boards/informatory/cautionary Board/km & 200m stones/Pavement road markings are provided and maintained | Yes/No  |
| 4.                                  | Compliance History                                                                                                   | NO      |
| a)                                  | Status of ATR's & any others                                                                                         |         |

|                  |                                             |
|------------------|---------------------------------------------|
| Overall Rating : | Satisfactory (S)                            |
|                  | Satisfactory but requires Improvement (SRI) |
|                  | Unsatisfactory (U)                          |
