1013 : Terrorism Damage Exclusion.

This Policy excludes loss, damage, cost or expense of whatsoever nature directly or indirectly caused by, resulting from or in connection with any act of terrorism regardless of any other cause or event contributing concurrently or in any other sequence to the loss.

* For the purpose of this exclusion, an act of terrorism means an act or series of acts, including but not limited to the use of force or violence and/or the threat thereof, of any person or group(s) of persons, whether acting alone or on behalf of or in connection with any organization(s) or government(s), or unlawful associations, recognized under Unlawful Activities (Prevention) Amendment Act, 2008 or any other related and applicable national or state legislation formulated to combat unlawful and terrorist activities in the nation for the time being in force, committed for political, religious, ideological or similar purposes including the intention to influence any government and/or to put the public or any section of the public in fear for such purposes.

This exclusion also includes loss, damage, cost or expense of whatsoever nature directly or indirectly caused by, resulting from or in connection with any action taken in controlling, preventing, suppressing or in any way relating to the above.

1014 : Earthquake (Fire & Shock) Damage Clause

In consideration of the payment by the Insured to the Company of additional premium, it is hereby agreed and declared that notwithstanding anything stated in the printed exclusions of this policy to the contrary, this Insurance is extended to cover loss or damage (including loss or damage by fire) to any of the property insured by this policy occasioned by or through or in consequence of earthquake including flood or overflow of the sea, lakes, reservoirs and rivers and/or Landslide/Rockslide resulting there from.

Provided always that all the conditions of this policy shall apply (except in so far as they may be hereby expressly varied) and that any reference therein to loss or damage by fire shall be deemed to apply also to loss or damage directly caused by any of the perils which this insurance extends to include by virtue of this endorsement.

In the event of the insured making any claim for loss or damage under this policy he must (if so required by the Company) prove that the loss or damage was occasioned by or through or in consequence of earthquake.

1016 : Warranty for 24 Hrs watch and ward arrangement.

1026 : Special Conditions concerning Fire Fighting facilities

It is Agreed and Understood that otherwise subject to the terms, exclusions, provisions and conditions contained in the Policy or endorsed thereon, the Insurers shall only indemnify the Insured for loss or damage resulting directly or indirectly from fire and/or explosion if the following requirements are fulfilled :

1. Adequate fire-fighting equipment and extinguishing agents of sufficient capacity must always be available at the site and ready for immediate use.
2. Sufficient number of workmen must be fully trained in the use of such equipment and must be available for immediate intervention at all times.
3. If storage of material for the construction or erection of the contract works is necessary at site or any other location within India, storage must be subdivided into storage units. The individual storage units must either be at least 10 meters apart or separated by fireproof walls. All inflammable materials (such as shattering material not fired for concreting, liner, etc.) and especially all inflammable liquids and gases must be stored at a sufficiently large distance from the property under construction or erection and any hot work like welding etc.
4. Welding, soldering or the use of an open flame in the vicinity of combustible material is permitted only if at least one workman suitably equipped with extinguishers and well trained in fire-fighting facilities designed for the operation of the plant must be installed and serviceable.

1027 : Crops, Forest Areas, Cultivated Areas

Notwithstanding the conditions, provisions and other endorsements of the Policy, it is agreed and understood that the Insurers shall not be liable to indemnify the Insured in respect of any loss, damage or liability directly or indirectly caused in crops, forests and/or other cultures during the execution of the contract works.

1028 : Contract Works Time Schedule

Notwithstanding the conditions, provisions and other endorsements of the Policy it is understood and agreed that -

- a) The contract works time schedule together with plans, documents and specifications supplied and any other statements made by the Insured with respect of works programme is deemed to be incorporated herein.

b) The Insurers shall not indemnify the Insured in respect of loss or damage caused by, or arising out of, or aggravated by deviations from the contract works time schedule exceeding four weeks, unless the Insurers had agreed in writing to such a deviation before a loss occurred.

1029 : Amendment in firefighting endorsement wording

It is Agreed and Understood that otherwise subject to the terms, exclusions, provisions and conditions contained in the Policy or endorsed thereon, the Insurers shall only indemnify the Insured for loss or damage resulting directly or indirectly from fire and/or explosion if the following requirements are fulfilled :

1. Adequate fire-fighting equipment and extinguishing agents of sufficient capacity must always be available at the site and ready for immediate use.
2. Sufficient number of workmen must be fully trained in the use of such equipment and must be available for immediate intervention at all times.
3. If storage of material for the construction or erection of the contract works is necessary at site or any other location within India, storage must be subdivided into storage units. The individual storage units must either be at least 10 meters apart or separated by fireproof walls. All inflammable materials (such as shattering material not fired for concreting, liner, etc.) and especially all inflammable liquids and gases must be stored at a sufficiently large distance from the property under construction or erection and any hot work like welding etc.
4. Welding, soldering or the use of an open flame in the vicinity of combustible material is permitted only if at least one workman suitably equipped with extinguishers and well trained in fire-fighting facilities designed for the operation of the plant must be installed and serviceable.

1030 : Warranty concerning underground cables and pipes

It is agreed and understood that otherwise subject to the terms, exclusions, provisions and conditions contained in the Policy or endorsed thereon, the Insurers shall only indemnify the Insured in respect of loss of or damage to existing underground cables and/or pipes or other underground facilities if, prior to the commencement of works, the Insured has inquired with the relevant authorities about the exact position of such cables, pipes or other underground facilities.

The indemnity shall in any case be restricted to the repair costs of such cables, pipes or other underground facilities, any consequential damage being excluded from the cover.

06 : Earthquake Extension Clause

It is hereby Agreed and declared that this insurance is included to cover loss or damage to any property insured by this policy occasioned by Earthquake Fire and/or shock including tsunami. Applicable Excess: As applicable to Act of God Perils.

10 : Extended Maintenance Cover Clause

In consideration of the payment of an additional premium by the Insured (which is included in the Total Premium set forth in the Schedule), it is hereby declared and agreed that the indemnity provided by the policy is extended to include Maintenance Cover for the period of (As Specified in Schedule) months to be reckoned from the date of completion or handing over, provided the policy period has been extended till completion or handing over.

However, during the Maintenance Period this insurance shall cover loss or damage to the contract works -

- i) Caused by the Insured contractor(s) in the course of the operations carried out for the purpose of complying with the obligations under the maintenance provisions of the contract.
- ii) Occurring during the maintenance period provided such loss or damage was caused on the site during the erection period before the certificate of completion for the lost or damage section was issued.

Applicable Excess: As specified in policy schedule.
