Stamp

Where there is an entry in column 9 on the basis of actual measurement, the whole of the amount previously paid without detailed measurement should be adjusted by minus entry in column 2 equivalent to the amount shown in column 1, so that "Total up to date" in column 3 may become "Nil".

** When there are two or more entries in column 9 relating to each sub-head of estimate they should, in the case of work the accounts of which are by sub-head, be totalled and total recorded in column 10 for posting in the works abstract.

II - Certificate and Signatures

The measurements on which are based the entries in columns 4 to 9 of Account 1 were made by S. U. T. - KUMAR and are recorded in page No. 16, G. S. 6 of Measurement Book no. 16, G. S. 6.

Certified that in addition to and quite apart from the quantities of work actually executed as shown in column 7 of Account 1, some work has actually been done in connection with several items, and the value of such works is, in no case, less than the advance payments as per column 3 of Account 1, made or proposed to be made for the convenience of the Contractor, application of and subject to the results of detailed measurement, which will be made as soon as possible.
