

# FIELD INSPECTION REPORT

|                        |                                                                                                                      |              |                |
|------------------------|----------------------------------------------------------------------------------------------------------------------|--------------|----------------|
| Date of Inspection :   | 16.01.21                                                                                                             | District:    | West Champaran |
| Division :             | Bettiah                                                                                                              | Length (km): | 0.785 km       |
| Name of the Road:      | Triveni Chok to Matkoti Ahr tola.                                                                                    |              |                |
| Scheme/Programme:      | MAINTENANCE                                                                                                          | MMGSY        |                |
| Package No.:           |                                                                                                                      | Road Id No.: | 31808801244    |
| Status of the Project: | Ongoing/Completed/Under Maintenance <i>Ongoing</i>                                                                   |              |                |
| Work is a case of:     | New Connectivity/Up gradation/ Maintenance                                                                           |              |                |
| Sl. No.                | Parameters to be checked                                                                                             | Remarks      |                |
| 1.                     | Drainage                                                                                                             |              |                |
| a)                     | Road Junction condition                                                                                              | S/U          |                |
| b)                     | Condition of Surfacing                                                                                               | S/U          |                |
| c)                     | Riding Quality                                                                                                       | S/U          |                |
| d)                     | Road Camber                                                                                                          | S/U          |                |
| e)                     | Whether free from defects such as visible cracks, exposed aggregates in case of CC Pavement.                         | Yes/No       |                |
| f)                     | Contraction Joints provided or not (CC Pavement)                                                                     | Yes/No       |                |
| g)                     | Compaction of flank/slope & raincuts if any                                                                          | Yes/No       |                |
| 2.                     | Cross Drainage                                                                                                       |              |                |
| a)                     | Condition of head walls in Hume pipe culverts including its painting                                                 | S/SRI/U      |                |
| b)                     | Condition of Abutment & Wing walls, Slab in RCC culverts                                                             | S/SRI/U      |                |
| c)                     | Condition of railings/slab/approach for Bridges                                                                      | S/SRI/U      |                |
| 3.                     | Road Furniture                                                                                                       |              |                |
| a)                     | Whether sign boards/informatory/cautionary Board/km & 200m stones/Pavement road markings are provided and maintained | Yes/No       |                |
| 4.                     | Compliance History                                                                                                   |              |                |
| a)                     | Status of ATR's & any others                                                                                         |              |                |

Overall Rating :

|                                             |  |
|---------------------------------------------|--|
| Satisfactory (S)                            |  |
| Satisfactory but requires Improvement (SRI) |  |
| Unsatisfactory (U)                          |  |
