Submitting Information in Projects Facing Land Dispute

Particulars	
Name of Programme	NABARD
Name of Division	IMMEDIATE NABARD
Full Name of Work	Const. of R.C.C. bridge over Koshi dhara near HATHI
Location of Road Bridge	Dist. of Tosi, Hathiye Dist. P.W.D.
Sanctioned Length (in km)	70.66 mtr + 400 mtr
Sanctioned Cost of Work (in Rs Lakh)	492.65
Clear Length with Public Land Availability	420 mtr
Length on Private Land (in km)	220 mtr
Location of the Length on Private Land (in km)	Approach of bridge from 0 to 300 mtr.
i) At the Start (in km)	
ii) At the End (in km)	
iii) In the middle between (in km)	
Is it possible to reduce the width of the disputed stretch up to 3 m?	Yes/No
Is it possible to laterally shift the disputed stretch?	Yes/No
Can a byepass be created around the disputed stretch if land is available?	Yes/No
Expenditure till date (in Rs Lakh)	360.46 Lakh
Can the road be reduced up to an intermediate habitation of eligible category if the rest of the target and eligible intermediate habitations are connected by different road?	Yes/No
If yes names of habitation with the names of adjoining roads be given	
Is it feasible (in Rs Lakh)	58750370
Take market rate as per Registry Office rates and multiply the cost by a factor of 4 and calculate the total cost of land to be leased/acquired	$48.75 \times 660 \times 4 + 10 \times 20,67,000 = 0$ $+ 5,51,000 = 12$
Percentage of cost of private land against the total project cost (%)	3.12%
Attach a rough sketch map
