MEASUREMENT BOOK

197  
8/11/20

Name to work— Utteri Andabad to Trimohini Man  
 Situation of work—  
 Agency by which work is executed— Departmental  
 Date of measurement— 19/03/2021  
 No. and date of agreement.  
 (These four lines should be repeated at the commencement of the measurements relating to each work.)

| Particulars                                                                                                            | Details of actual measurement |                  |                       |                       | Contents of area        |
