Engineer, RWD, Works Division, Siwan-2 Bihar, a sum of Rs 1143.73599 Lacs has been utilized for the purpose of NEW MAINTENANCE POLICY-2018 Schemes as given in the margin for which it was sanctioned and that the balance of Rs 26.55858 lacs remaining unutilized at the end of the period under. |
| Total : |                                                                 |                                                                                                                                                                        | 1170.29457                                                                                                                 |                                                                                                                                                                                                                                                                                                                                                                                                 |

2. Certified that I have satisfied myself that the conditions on which the grants-in-aid was sanctioned have been duly fulfilled and that I have exercised the following checks to see that the money was actually utilized for the purpose for which it was sanctioned.

**Kind of Checks exercised :-**

- Works have been supervised by Executive Engineer/Superintending Engineer.
- Periodical inspection has been conducted by Executive Engineer/ Superintending Engineer.
- Construction materials have been tested.
- Measurements have been recorded in the MBs and test check conducted by the Assistant Engineer/ Executive Engineer.
- All other codal formalities have been observed.

**3. Physical Progress achieved :-**

- Construction of Road works.
- Construction of CD works.
