

1  
Name of Work—  
Situation of Work—  
Agency by which work is executed—  
Date of Measurement—  
No. and date of agreement

(These four lines should be repeated at the commencement of the measurement relating to each work)

| Particulars            | Details of actual measurement                          |    |    |    | Contents of area |
|------------------------|--------------------------------------------------------|----|----|----|------------------|
|                        | No.                                                    | L. | B. | D. |                  |
| Name of work:—         | Construction of Road                                   |    |    |    |                  |
| from                   | Bani-tola Dhalade PNH                                  |    |    |    |                  |
| Road under             | massy.                                                 |    |    |    |                  |
| Block:—                | Champa                                                 |    |    |    |                  |
| Agency:—               | Sri Jay Kumar Chandra                                  |    |    |    |                  |
| Address:—              | No-3, Auraiya Bani-tola                                |    |    |    |                  |
|                        | Auraiya, W. Champaran                                  |    |    |    |                  |
| Agreement No:—         | 07/2020-24                                             |    |    |    |                  |
| Date of start:—        | 21-3-2020                                              |    |    |    |                  |
| Time of completion:—   | 20-03-2021                                             |    |    |    |                  |
| Details of work done:— |                                                        |    |    |    |                  |
| (1/13)                 | Construction of unreinforced                           |    |    |    |                  |
|                        | plain cement concrete pavement                         |    |    |    |                  |
|                        | 11.5 grade on prepared sub-                            |    |    |    |                  |
|                        | base etc all complete job.                             |    |    |    |                  |
|                        | $5 \times 30.0m \times 3.75m \times 0.16m = 90.00 m^3$ |    |    |    |                  |
|                        | $5 \times 30.0m \times 3.75m \times 0.16m = 90.00 m^3$ |    |    |    |                  |
|                        | $1 \times 30.0m \times 3.75m \times 0.16m = 18.00 m^3$ |    |    |    |                  |
|                        | $1 \times 5.0m \times 3.75m \times 0.16m = 3.00 m^3$   |    |    |    |                  |
|                        | Total $\rightarrow 201.00 m^3$                         |    |    |    |                  |
| (2/11)                 | Forming and apply of                                   |    |    |    |                  |
|                        | primer coat etc all complete job.                      |    |    |    |                  |
|                        | $5 \times 30.0m \times 3.75m = 562.50 m^2$             |    |    |    |                  |

Continuation

C.C.  $\rightarrow 562.50 m^2$
