

# FIELD INSPECTION REPORT

|                        |                                            |              |        |
|------------------------|--------------------------------------------|--------------|--------|
| Date of Inspection :   | 20/11/22                                   | District:    | PURNEA |
| Division :             | PURNEA                                     | Length (km): |        |
| Name of the Road:      | Purpura HHGS7 TO Saurthal to Belgach       |              |        |
| Scheme/Programme:      | MAINTENANCE                                |              |        |
| Package No.:           |                                            | Road Id No.: |        |
| Status of the Project: | Ongoing/Completed/Under Maintenance        |              |        |
| Work is a case of:     | New Connectivity/Up gradation/ Maintenance |              |        |

| S.No. | Parameters to be checked                                                                                             | Remarks |
|-------|----------------------------------------------------------------------------------------------------------------------|---------|
| 1     | Pavement                                                                                                             |         |
| a)    | Road Junction condition                                                                                              | S/U     |
| b)    | Condition of Surfacing                                                                                               | S/U     |
| c)    | Riding Quality                                                                                                       | S/U     |
| d)    | Road Camber                                                                                                          | S/U     |
| e)    | Whether free from defects such as visible cracks, exposed aggregates in case of CC Pavement.                         | Yes/No  |
| f)    | Contraction Joints provided or not (CC Pavement)                                                                     | Yes/No  |
| g)    | Compaction of flank/slope & raincuts if any                                                                          | Yes/No  |
| 2     | Gross Drainage                                                                                                       |         |
| a)    | Condition of head walls in Hume pipe culverts including its painting                                                 | S/SRI/U |
| b)    | Condition of Abutment & Wing walls, Slab in RCC culverts                                                             | S/SRI/U |
| c)    | Condition of railings/slab/approach for Bridges                                                                      | S/SRI/U |
| 3     | Road Furniture                                                                                                       |         |
| a)    | Whether sign boards/informatory/cautionary Board/km & 200m stones/Pavement road markings are provided and maintained | Yes/No  |
| 4     | Compliance History                                                                                                   |         |
| a)    | Status of ATR's & any others                                                                                         |         |

Overall Rating :

|                                             |   |
|---------------------------------------------|---|
| Satisfactory (S)                            |   |
| Satisfactory but requires Improvement (SRI) |   |
| Unsatisfactory (U)                          | U |
