**MEASUREMENT BOOK**

| Particulars | Details of actual measurement |                          |        |          | Contents of area |
|-------------|-------------------------------|--------------------------|--------|----------|------------------|
|             | No.                           | L.                       | B.     | D.       |                  |
|             | Record Entry                  |                          |        |          |                  |
| N/Work.     | Temp                          | Restoration of road from |        |          |                  |
| Thumka      | Sing                          | Matta Tola H. 654 Se     |        |          |                  |
|             | to Letayohi's house.          |                          |        |          |                  |
| Agency.     | Dept                          |                          |        |          |                  |
| Authority   | LN                            | 1937                     | Dtd    | 7.7.21   | CE-4             |
|             | LN                            | 777                      | WE Dtd | 29.06.22 | S.E. Malhepura.  |
| D/entry.    | 04.07.2022                    |                          |        |          |                  |
| 1)          | Plr                           | EIC bags bull wari       |        |          |                  |
|             | Local saw strictly, layers    |                          |        |          |                  |
|             | all layer.                    |                          |        |          |                  |

$$2 \times 126m \times (3.0m + 2.0m) / 2$$

$$\times 1.0m + 2 \times 80.67m$$

$$\times 4.0m \times 0.3m = 823.61m^3$$

$$= 823.61m^3 \times 35.315 = 29086 \text{ Bag}$$
