| Name of work - Ashiyani Haru |                               |    |    |    |                  |
| Muselman Fata                |                               |    |    |    |                  |
| Agency -                     |                               |    |    |    |                  |
| Supplier -                   |                               |    |    |    |                  |
| Date of start -              |                               |    |    |    |                  |
| Date of Completion -         |                               |    |    |    |                  |
| Date of Entry -              |                               |    |    |    |                  |
|                              |                               |    |    |    |                  |
|                              |                               |    |    |    |                  |
|                              |                               |    |    |    |                  |
|                              |                               |    |    |    |                  |
|                              |                               |    |    |    |                  |
|                              |                               |    |    |    |                  |
|                              |                               |    |    |    |                  |

Description of work -

1) Providing brick ball including spreading, laying compacting - E/E

$$15.0 \times 4.0 \times \frac{4.074 + 2.0}{2} \times 1.60 = 134.40 m^2$$

$$05.0 \times 4.0 \times \frac{4.074 + 2.0}{2} \times 1.60 = 44.80 m^2$$

After second floor

$$20.20 \times 2.50 + 2.70 \times 2.70 \times \frac{2.63 + 0.63}{2} \times 1.50 = 125.76 m^2$$

$$204.96 m^2$$
