## प्रतिवेदन

कार्य का नाम

जयप्रकाश हाल्ट से बरहैया गाँव तक पथ का आपातकालीन  
मरम्मत कार्य ।

पथ की लम्बाई

क्षतिग्रस्त पथ की लम्बाई : 12.00

प्राक्कलित राशि : 0.966 लाख

मद : एफ़ डी आर

प्रस्तुत प्राक्कलन, अथमलगोला प्रखण्ड अंतर्गत जयप्रकाश हाल्ट से बरहैया गाँव तक पथ का आपातकालीन मरम्मत हेतु तैयार किया गया है। यह पथ MMGSY (WB) योजनाअंतर्गत स्वीकृत है जो निर्माणाधीन है। इस पथ में पूर्व से 1800मी में GSB ग्रेड II, Stone metal WBM Gr- II एवं stone metal WBM Gr- III करने के पश्चात 1200मी में surface dressing का कार्य भी कराया जा चुका था।

इस वित्तीय वर्ष 2021-22 में बाढ़ एवम अतिवृष्टि के कारण पथ के एक स्थान पर कटाव हो गया था। साथ ही पथ के विभिन्न स्थानों पर stone metal WBM Gr- III, Surface Dressing एवं फ्लैक भी काफी क्षतिग्रस्त हो गया है। विभागीय निर्देशानुसार पथ को यातायात योग्य बनाने हेतु पथ के कटाव वाले स्थान पर Brick Bats भर दिया गया। वर्तमान में आवागमन चालू है। पथ को पूर्व की स्थिति में लाने हेतु पुनर्स्थापना का प्राक्कलन बनाया जा रहा है।

कार्यहित में आपातकालीन मरम्मत का प्राक्कलन की स्वीकृति अतिआवश्यक है।

## CONDITIONS OF CONTRACT

Compensations

**Clause 1 :-** All compensation or other sums of money payable by the contractor to Government under the terms of his contract may be deducted from or paid by the sale of a which may be due or may become due to the contractor by Government on any account what so ever and in the event of his security deposit being reduced by reason of any such deduction or sale as aforesaid, the contractor shall within the days there after make good in cash or Government securities endorsed as aforesaid any sum or sums which may have been deducted from or arise by sale of his security deposit or any part there of.

The work should not be considered finished until such date as the Executive Engineer shall certify as the date on which the work is finished after necessary recitations of defects as pointed by the Executive Engineer or his authorised agents are fully complied with by the contractor to the Executive Engineer's satisfaction.

**Clause 2 :-** The time allowed for carrying out the work as entered in the tender shall be strictly observed by the contractor and shall be reckoned from the date on which the written order to commence work is given to the contractor. The work shall throughout the stipulated period of the contract be carried on with all due diligence (time being deemed to be the essence of the contract on the part of the contractor) and the contractor shall pay as compensation an amount equal to percent on the amount of the estimated cost of the whole work as shown by the tender for every day that the work remain uncommenced or unfinished after the proper dates bound in all cases in which the time allowed for any work exceeds one month to complete one fourth of the whole of the work before one half of such time elapsed and three fourths of the work before three fourths of such time has elapsed. In the event of the contractor failing to comply with this condition, he shall be liable to pay as compensation an amount equal to  $\frac{1}{2}$  percent, on he said estimated cost of the whole work for every day that the due quantity work remains incomplete. Provided always that the entire amount of compensation to be paid under the provisions this clause shall not exceed 10 percent on the estimated cost of the work as shown in the tender.

**Clause 3 :-** In any case in which under any clauses or clause of this contract the contractor shall have rendered himself liable to pay compensation amounting to the whole of his security deposit have render himself liable pay compensation amounting to the whole of his security deposit in the hands of Government (Whether paid in one sum or deducted by instalments) the Executive Engineer on behalf of the Government of Bihar, shall have power to adopt any of the following courses, as he may deem best suited to the interests of Government.

Action when a whole security deposit is for fitted.

(a) To rescind the contract (of which rescission notice in writing to the contractor under the hand of the Executive Engineer shall be conclusive evidence) and in which case the security deposit of the contractor shall stand for fitted and be absolutely at the disposal of Government.

(b) To employ labour paid by the public works Department and to supply materials to carry out the work, or any part of the work debiting the contractor with the cost of the labour and the price of the materials (of the amount of which cost and price certificate of the Executive Engineer shall be final and conclusive against the contractor) and crediting him with the value of the work done in all respects in the same manner and at the same rates as if it had been carried out by the contractor under the terms of his contract the certificate of the executive engineer as to value of the work done shall final and conclusive against the contractor.

(c) To measure up the work of the contractor and to take such part of the work of the contract as shall be unexecuted out of his hands and to give it to another contractor to complete in which case any expenses which maybe incurred in excess of the sum which would have been paid to the original contractor if the whole work had been executed by him (of the amount of which excess the certificates in writing of the Executive Engineer shall be final and conclusive) shall be borne and paid by the original contractor and may be deducted from any money due to him by Government under the contract or otherwise or from his security deposit or the proceeds of sale there of or a sufficient part there of.

In the event of any of the above courses being adopted by the Executive Engineer the contractor shall have no claim to compensation for any loss sustained by him by reason of his having purchased or procured any materials, or entered into any engagement or made any advances on account of with a view to execution of the work or the performance of the contract. And in case the contract shall be rescinded under the provision aforesaid contractor shall not be included unless and until the Executive Engineer shall have certified in writing the performance of such work and the value payable in respect there of and he shall only entitled to be paid the value so certified.

Executive Engineer  
R.W.D. Works  
28/6/51 BARH

**Clause 4 :-** In any case in which any of the powers, conferred upon the Executive Engineer by Clause 3 there of shall have become exercisable and the same shall not be exercised the non exercise thereof shall not constitute waiver of any of the conditions here of and such powers shall not with standing be exercisable in the event of any future case of default by the contractor for which by any clause or clause here of he is declared liable to pay compensation amounting for the whole of his security deposit and the liability of the contractor for past future compensation shall remain unaffected. In the event of executive engg. Putting in force the powers vested in him under the proceeding clause he may if he so desires take possession of all or any tools, plants materials and store in or upon the works or the site there of or belonging to the contractor or procured by him and intends to be used for the execution of the work or any part thereof, paying or allowing for the same in the account at the contract rate, or in case of these not being applicable, at current market rate to be certified by the Executive Engineer may be notice in writing to the contractor or his clerk of the work foreman or other authorised agent require him to remove such tools, plant materials, or stores from premises (within time to specified in such notice) and in the event of contractor failing to comply with any such requisition the Exe. Eng. may remove them at the contractor's expense or sell them by auction or private sale on account of the contractor and at his rise in all respect and the certificate or the Exe. Eng. as to the expense of any such removal and the amount of the proceeds and expense of any such sale shall be final and conclusive against the contractor.

Contractor remains liable to pay compensation if action not taken under clause 3

Power to take possession of or require removal of or sell contractors plant.

**Clause 5 :-** If the contract or shall desire an extension of the time for completion of the work on the ground of his having been unavoidably hindered in its execution or on any other ground other than those mentioned in clause 12(a) he shall apply in writing to the Exe. Eng. within 60 days from the date of starting of the hinders on account of which he desires such extension as aforesaid and Exe.Eng. shall if in his opinion (which shall be final) reasonable grounds be shown therefore, authorise.

Extension of time

Such extension of time, if any, as may in his opinion necessary or proper. The Executive Engineer shall at the same time inform the contractor whether the claim compensation for the delay.

Final certificate

**Clause 6 :-** On completion of the work the contractor shall be furnished with a certificate by the Exe. Eng. (here in after called the Engineer in Charge) of such completion but no such certificate be given, not shall the work be considered to be complete until the contractor shall have removed from the area of the premises (to be distinctly marked by the Executive Engineer in the site plan) on which the work shall be executed all scaffolding surplus materials and rubbish and cleaned off the dirt from all wood work doors windows walls floors or other parts of any building in upon or about which the work is to be executed or of which he may have had possession for the purpose of the Execution thereof nor until the work shall have been measured by the officer of the public works Department in accordance with the rules of the contractor shall fail to comply with the requirements of this clause as to removal of scaffolding surplus materials and rubbish and dispose of the same as he thinks fit and clean of such dirt as aforesaid and the contractor shall forthwith pay the amount of all expense so incurred and shall have no claim in respect of any scaffolding or surplus materials as aforesaid except for any sum actually realised by the sale thereof.

Payment of in terms date certificate to be regarded as advances and bill to be submitted monthly.

**Clause 7 :-** A bill shall be submitted by the contractor each month on or before the date fixed by the Engineer in charge for all work executed in the previous month and the Engineer in charge or his subordinate shall take the requisite measurement for the purpose of having the same verified and the claim, as far as admissible adjusted if possible before the expiry of ten days from the presentation of the bill. If the contractor does not submit the bill within the time fixed as aforesaid the Engineer in charge or his subordinate shall prepare a bill from such list which shall be binding on the contractor in all respects.

Provided that, if any balance of the 10% security is outstanding from each such payment shall be deducted to much not exceeding 5% as may be necessary to make up the balance of the security. All such intermediate payments to the contractor shall be
