Continuation

此書係在... 卷之...

A series of ten horizontal lines for handwriting practice. Each line contains several lowercase 'a' characters, some of which are written with a trailing '2' to indicate the second stroke. The letters are written in a cursive style.

1. The first part of the document is a list of names and dates, which appears to be a record of some kind. The names are written in a cursive script, and the dates are in a more formal, printed style. The list is organized into columns, with names in the first column and dates in the second column.

2. The second part of the document is a series of paragraphs of text, written in a cursive script. The text is somewhat difficult to read due to the handwriting, but it appears to be a narrative or a report of some kind. The paragraphs are separated by lines of text, and the overall structure is that of a continuous document.

3. The third part of the document is a series of paragraphs of text, written in a cursive script. The text is somewhat difficult to read due to the handwriting, but it appears to be a narrative or a report of some kind. The paragraphs are separated by lines of text, and the overall structure is that of a continuous document.

4. The fourth part of the document is a series of paragraphs of text, written in a cursive script. The text is somewhat difficult to read due to the handwriting, but it appears to be a narrative or a report of some kind. The paragraphs are separated by lines of text, and the overall structure is that of a continuous document.

5. The fifth part of the document is a series of paragraphs of text, written in a cursive script. The text is somewhat difficult to read due to the handwriting, but it appears to be a narrative or a report of some kind. The paragraphs are separated by lines of text, and the overall structure is that of a continuous document.
