	Limit Qty = 800 m ²				
	= 0.080 Huf				

This is a scan of a blank sheet of graph paper. The page features a uniform grid of squares formed by thin black lines. There are approximately 20 columns and 18 rows visible. A prominent vertical crease or fold line runs down the center of the page, slightly offset from the middle column. The paper appears aged, with some minor discoloration and small dark spots scattered across the surface. The edges of the paper are slightly irregular.
