

卷之三

Measurement Book

The image shows a severely damaged document page. The paper is off-white with extensive dark brown staining, particularly along the right edge and bottom. Handwritten text is visible in several areas:

- At the top left, there is a signature that appears to begin with "man".
- On the right side, large, bold, black letters spell out "Kuckelkorn's Mfg. Co., Inc.", with "Kuckelkorn's" stacked above "Mfg. Co., Inc.". Below this, the word "Form" is written vertically.
- Below "Form", the number "No. 134" is written vertically.
- In the center-right area, the word "RECEIVED" is written vertically.
- On the left side, the words "SUB-DIVISION" and "DIVISION" are written vertically.
- At the bottom left, the word "REPORT" is written vertically.

The overall condition of the paper is poor, with significant water damage and discoloration.

Name of work—
Situation of work—

Agency by which work is executed—
Date of measurement—

No. and date of agreement.

(These four lines should be repeated at the commencement of the measurements relating to each work.)
