

Sch. XLV-Form No. 134

| Particulars                  | Details of actual measurement |    |    |    | Contents of area |
|------------------------------|-------------------------------|----|----|----|------------------|
|                              | No.                           | L. | B. | D. |                  |
| 1st yr maintenance Bill      |                               |    |    |    |                  |
| Name of Work: Maintenance of |                               |    |    |    |                  |
| Road from 107 to Achalpur    |                               |    |    |    |                  |
| 106 to Sultanpur yadav       |                               |    |    |    |                  |
| 106 Tak                      |                               |    |    |    |                  |
| N/Agency: Gaurav Kumar       |                               |    |    |    |                  |
| Ag No: 28/SBD/2021-22        |                               |    |    |    |                  |
| Actual Date of Comp: 28.4.23 |                               |    |    |    |                  |
| Period: 29.4.23 To 28.4.24   |                               |    |    |    |                  |
|                              |                               |    |    |    |                  |
|                              |                               |    |    |    |                  |
|                              |                               |    |    |    |                  |
|                              |                               |    |    |    |                  |
|                              |                               |    |    |    |                  |

① Restoration of Rain Cul-  
width Soil - do - all comp

$$6 \times 2.0 \times 1.0 \times 0.30 = 3.60 \text{ m}^3$$

$$7 \times 1.50 \times 0.60 \times 0.30 = 1.89 \text{ m}^3$$

$$8 \times 1.25 \times 0.75 \times 0.30 = 2.25 \text{ m}^3$$

$$10 \times 1.75 \times 1.0 \times 0.30 = 5.25 \text{ m}^3$$

$$5 \times 2.0 \times 0.60 \times 0.30 = 3.60 \text{ m}^3$$

$$9 \times 1.50 \times 1.0 \times 0.30 = 4.05 \text{ m}^3$$

$$20.64 \text{ m}^3$$

$$\text{Int Duty} = 20.64 \text{ m}^3$$

② making up of Berry

Shoulder do - all comp

$$2 \times 3 \times 10.00 \times 0.50 = 30.00 \text{ m}^3$$

$$2 \times 2 \times 30.00 \times 0.60 = 72.00 \text{ m}^3$$

$$4 \times 5.00 \times 0.50 = 10.00 \text{ m}^3$$

$$112.00 \text{ m}^3$$
