Sub: Preparation of DPRs for roads proposed under Tranche-I of MMGSY (Awsesh) being financed by New Development Bank under Bihar Rural Roads Project-II.

Sir,

In continuation to the meeting held on 27th February 2023 in regard to preparation of DPRs, for road proposed under Tranche-I of MMGSY (Awsesh) scheme being financed by New Development Bank, we are pleased to inform that you are hereby deployed in **Jehanabad and Gaya districts** for the aforesaid assignment. The detailed road list pertaining to the concerned district is enclosed herewith for your ready reference.

Please note that the DPRs of the above proposed roads should include all the necessary provisions as per the relevant IRC specifications & other standards and should have details such as transect walk, traffic studies, soil investigation, hydrological studies, estimates, socio-economic studies, land availability report, adequate traffic management & road safety measures and roadside plantation depending upon the availability of land.

Additionally following points are pertinent to be complied while preparing and submitting the DPRs:

1. Maximum time allowed for preparation of DPR should not be more than 45 days.
2. All the pages of the DPR should be numbered with proper index page in the DPR.
3. The lead chart must be mandatorily signed by the concerned Superintending Engineer.
4. The start point may change based on the best alignment (Least length/cost) for connecting the target habitation. The coordinates provided along with the list are indicative.
5. In flexible pavements, waste plastic-based surfacing is required to be incorporated in all the roads.
6. Semi-Rigid Pavement (CC Pavement) is to be provided only in built-up area (habitant portion).

7. For any type of CD structure, HFL (Highest Flood Level), LWL (Low Water Level) and other hydraulic data such as catchment area, RTL (Road Top Level) etc. are to be submitted mandatorily.
8. The soft copy and KML file of all the DPRs must be submitted by the DPR consultant mandatorily.
9. The abstract of the DPRs must contain both the road and the bridge details mandatorily applicable.
10. Plan and profile must be included in legible format (A-3 size and colored page) mandatorily in all DPRs.
11. The proposed alignment must be mandatorily marked in Revenue map of the village and same is required to be attached with the DPR.
12. Header and footer must contain the road name of the DPR.
13. If any bridge lies in the road alignment, verification must be required from HQ.
14. In no case, the road alignment should exceed the target habitation.
15. Each and every page of the DPR must be signed by the authorized representative of the consultant along with Company seal. It is to be noted that the DPR consultant will submit a letter officially indicating the name and signature of the authorized representative who would be signing on behalf of the consultants within 7 days from the date of issue of this letter.
16. DPR consultant has to mandatorily sign on the Land Availability Certificate duly attested that the land is available along the proposed alignment. The certificate also should contain details about the land ownership status.
17. DPR Consultant has to submit an undertaking that the information based on which the DPRs have been prepared are correct.
18. DPR consultant has to mandatorily sign on the certificate certifying that the proposed alignment provides single connectivity only to the target habitation.
19. In order to prepare final DPR, you are directed to submit a sample DPR to HQ for verification.
20. In case of any discrepancy at the later stage against all of the above, DPR consultant will be held responsible and suitable disciplinary action including debarment/blacklisting will be taken against such consultant for misconduct.
- Please feel free to contact us in case of any difficulty in understanding.
- Encl.: As above

Yours Faithfully

(Ashok Kumar Mishra)
Engineer-in-Chief
