**Re:** Submission of GST Impact Report of Bishwanath Prasad vide agreement no. 04/MBD/2017-18

**Ref:** Our appointment as GST Consultant by Rural Works Department, vide agreement number BRRDA/01/GST Consultancy dated 24.02.2023 and EE, Maharajganj, RWD letter no. 4263 dated 16.11.2024

Respected Sir,

We are appointed to recommend payment of Impact arising on account of roll out of GST and change in taxation structure by analysing claim of contractors as per Scope of Work.

GST Impact Summary			
Agreement No.	Name of Project	GST Impact in Rupees (Construction)	GST Impact in Rupees (Maintenance)
04/MBD/2017-18	Repair of Road From Hilsar To Bhikhampur Under Head-M/R-3054	89,323 (Annexure-I)	1,41,578 (Annexure-I)

13.11.25

We are therefore pleased to make our submission of GST Impact Report of Bishwanath Prasad for the following project with reference to the:

1. Repair of Road From Hilsar To Bhikhampur Under Head-M/R-3054.

With this letter, we would like to draw your attention towards the following facts: -

- 1) The impact being given is from-

Name of Road	RA Bill (No.)	Maintenance Bill (No.)
Repair of Road From Hilsar To Bhikhampur Under Head-M/R-3054	RA Bill 01 To RA Bill 03	1 <sup>st</sup> Year to 5 <sup>th</sup> Year Maintenance

- 2) That the above impact is determined considering Work Order Value inclusive of Excise Duty & VAT, Entry Tax (as applicable) and all other applicable taxes in force as on 30.06.2017.

That we have charged fees for entire contract and therefore as and when the new RA bills are submitted, the same should be sent to our office and sent via BRRDA for needful action. That a flat percentage cannot be applied for payment of future claims on RA bills and remaining amount of contract as the material & services components differs on every milestone of payment.

Executive Engineer  
Rural Works Department  
Works Division Maharajganj  
13.11.25

In our capacity as Indirect Consultant to you we therefore request you not to pay any adhoc GST reimbursement in future RA bills submitted as the same may cause loss to public exchequer, if the same is paid without proper analysis and auditing of records. Kindly forward all communication with respect to GST for proper analysis and needful action from our end.

### 3) Observation on GST claim as submitted by contractor-claimant:

We have gone through the submission made by the Contractor-claimant, and have observed that the contractor has been awarded the contract for Construction on 13.11.2017, when GST was leviable.

From the rate analysis enclosed it has been observed that taxes namely VAT and Excise duty has been considered in the material component only and VAT/GST @ 4% has been considered in overhead component based on the RCD SOR Guidelines.

Now with effect from 01.07.2017, GST was introduced and the said contract was ongoing as on 01.07.2017. Now due to introduction of GST, the taxation structure of works contract underwent a significant change, wherein tax which was previously levied on material component only, now with the introduction of GST, the GST @ 12% has become leviable on the entire value of supply, the payment of which is being made after 01.07.2017.

Hence, the contractor-claimant has raised GST claim of Rs. 7,01,191/- due to such change in taxation structure which has resulted in increase of tax burden on the contractor-claimant.

- 4) That the above GST impact has been prepared (as a reference) based on the guidelines given by different governmental organization such as CPWD in the circular dated 09.03.2020 has laid down principles for computing the GST compensation by eliminating previous erstwhile taxes and adding current taxes in the work order value. The same principle has also been taken up in other

DARIYAPUR GOLA ROAD  
NALA ROAD, PATNA- 800004

governmental department of other states like in the case of Maharashtra, CIDCO vide their letter no. CIDCO/SE(HQ)/EE(NM)/CIR/2018/29 dated 22.11.2018, issued the guidelines for works contract which were ongoing as on 01.07.2017 and their treatment with taxes after enactment of GST.

- 5) Likewise, the Government of Odisha and Telengana, Bihar through RCD, NRRDA and MORTH issued the advisory/circulars in respect of the modus of calculation of GST impact to be included in the work order, if any.
- 6) The Hon'ble High Court, Patna has also ruled in the favour of the contractor seeking GST Impact for ongoing contracts as on 01.07.2017.
- 7) That the impact report is calculated on **analysing data and verification of records and not on an ad-hoc percentage basis, as arriving a flat percentage will be squarely wrong for giving impact as all cases have different figures of data, applicability of taxes and the modus adopted by respective contractor to pay VAT taxes and currently GST and corresponding purchase pattern of inputs required for project at differential prices. The GST impact is only payable on the net tax liability increased on account of implementation of GST. This requires careful investigation of all data and records, so as to arrive at the net increase in tax liability due to new tax structure.**
- 8) **That the GST Impact calculation is made on the following premise:**
  - a) That the above work is a Repair of Road From Hilsar To Bhikhampur Under

Head-M/R-3054.

NALA ROAD, PATNA- 800004

13.11.18

Executive Engineer  
Rural Works Department  
Patna Division, Patna, Bihar

- b) The above said impact is derived by considering the contract as Works Contract as defined U/s 2(119) of the Central Goods and Services Act, 2017 taxable @12% (Heading 9954 (vi): Construction service - Composite supply of works contract as defined in clause (119) of section 2 of the Central Goods and Services Tax Act, 2017 other than that covered by items (i), (ia), (ib), (ic), (id), (ie) and (if) above, provided to the Central Government, State Government, Union Territory or a local authority by way of construction, erection, commissioning installation, completion, fitting out, repair, maintenance, renovation or alteration of – (a) civil structure or any other original works meant predominantly for use other than for commerce, industry, or any other business or profession;
- c) The above calculation has been done considering total impact arising on account of changes in rate awarded at the time of tender.
- d) The Tax rates of Angle Iron were not mentioned in the Rate Analysis of similar Items. However, we have assumed embedded Tax as mentioned in rate analysis of similar items.
- e) Therefore, suitable adjustment should be made if there is any amendment in law till the payment is settled under this contract or if there is any departure in the premise mentioned above must be brought to our notice as it may bring deviation in the GST Impact to be passed on to the contractor.
- f) That GST impact is calculated on the basis of all documents and records produced by Contractor and duly verified & audited by us as per our scope

NALA ROAD, PATNA- 800004

- g) The effect of anti-profiteering as per sec 171 of GST Act has not been computed and the same has not been passed on to BRRDA, RWD.
- 9) That the GST claim amount submitted for approval by the Contractor was Rs. 7,01,191/- while as per our verification it is Rs. 2,30,901/- Which results in saving of Rs. 4,70,290/-
- 10) That at any later stage if it is brought to our notice that any fact/figures/calculation which was provided to us the basis of which has been our calculation, is misrepresented and which has a material effect on the above GST Claim amount, then the GST claim amount shall be void ab initio.
