- General Observations of SQM, (including the observations made during the 14. interaction with PIU staff and Contractor's/ Consultant's Engineers):
 - 14.1. Observations about deficiency in project preparation (Give detailed observations about deficiencies in general and items which have been left but are required as per site conditions):

14.2. Whether the work has been completed/is in progress as per work programme or the delay has occurred. If delay has occurred, whether the liquidated damages have been withhold or recovered:

14.3. Whether the work has been completed within the sanctioned cost, if not, what is the action taken by the PIU (in case of complete works):

14.4. Observations about the action taken by the PIU on the observations of inspecting officers including SQMs and NQMs. (Clearly offer comments about the action taken on the observations of Departmental Officers, State Quality Monitors and National Quality Monitors).

14.5. Comments about difference in observations made by NQMs/SQMs in earlier inspections (the NQM shall study the earlier inspection reports of NQMs / SQMs, if any and offer his clear comments about the differences in observations, if any).

15. Other observations, if any:

16. Quality Grading of items and sub-items of work: The grading of every sub-item and item of work is given below.

#	Sub Item for Observation	Stage of Work	Awardable Grades	Awarded Grades

Test of field Density of Soil by Core Gutter Method

Date: 28: 12:18

Name of Road: 105 to Klawa.

Chainage of Sample Test: Km. Q: 880V.M.

SI.No.	Observation	Qty. with unit	
4.	Volume of Core Cutter (V.) cc	+6.2	
2.	Weight of empty core cutter (W) gm		
3.	Weight of core cutter + wet soil(W1)gm	3-0-45gm	
4.	Weight of wet soil (W2) gm	1.9.2.bygm	
5.	Bulk Density of soil Yb=(W2/v)	gm per co	
6.	Moisture Content by moisture meter X%	1+-0%	
7.	Modified moisture content as caliberated 2%	12-6-%	
8.	Dry Density= (100/100+Z) x Yb	gm per co	
9.	M.D.D. as per QC Register	gm per co	
10.	Result whether dry density conforms to MDD	Yes or No YU:	
11.	Remark		

(Sign of contractor or his representative) (J.E.)
