Communicable Disease Exclusion Endorsement Clause

1. Notwithstanding any provision, clause or term of this Insurance Contract to the contrary, this Insurance Contract excludes any loss, cost, damage, liability, claim, fines, penalty or expense or any other amount of whatsoever nature, whether directly or indirectly and/or in whole or in part, related to, caused by, contributed to by, resulting from, as a result of, as a consequence of, attributable to, arising out of, arising under, in connection with, or in any way involving (this includes all other terms commonly used and/or understood to reflect or describe nexus and/or connection from one thing to another whether direct or indirect):

a Communicable Disease and/or the fear or threat (whether actual or perceived) of a Communicable Disease and/or the actual or alleged transmission of a Communicable Disease regardless of any other cause or event contributing and/ or occurring concurrently or in any sequence thereto, and

a pandemic or epidemic, as declared by the World Health Organisation or any governmental authority.

2. As used herein, Communicable Disease means: any infectious, contagious or communicable substance or agent and/or any infectious, contagious or communicable disease which can be caused and/or transmitted by means of substance or agent where:
 - the disease includes, but is not limited to an illness, sickness, condition or an interruption or disorder of body functions, systems or organs, and

the substance or agent includes, but is not limited to, a virus, bacterium, parasite, other organism or other micro-organism (whether asymptomatic or not); including any variation or mutation thereof, whether deemed living or not, and

the method of transmission, whether direct or indirect, includes but not limited to, airborne transmission, bodily fluid transmission, transmission through contact with human fluids, waste or the like, transmission from or to any surface or object, solid, liquid or gas or between organisms including between humans, animals, or from any animal to any human or from any human to any animal, and the disease, substance or agent is such:

that causes or threatens damage or can cause or threaten damage to human health or human welfare, or that causes or threatens damage to or can cause or threaten damage to, deterioration to, contamination of, loss of value of, loss of marketability of or loss of use or usefulness of, tangible or intangible property.

For avoidance of doubt, Communicable Disease includes but is not limited to Coronavirus Disease 2019 (Covid -19) and any variation or mutation thereof.

3. For further avoidance of doubt, any contingent or other business interruption loss, cost, damage, loss of income, loss of use, increased cost of working and/or extra expense arising out of or attributable to:

any partial or complete closure of and/or slowdown in, including but not limited to any closure by or under the advisories of public, military, government or civil authorities, or any denial of access to reinsured premises, or customer and or supplier premises (including service / utility providers), or change in consumer behaviour, or

an absence of infected employees or employees suspected of being infected shall not be covered by this Insurance Contract

4. For still further avoidance of doubt, loss, cost, damage, liability, claim, fines, penalty or expense or any other amount excluded hereby, includes but is not limited to any cost to identify, clean-up, detoxify, disinfect, decontaminate, mitigate, remove, evacuate, repair, replace, monitor, sanitize or test: (1) for a Communicable Disease or (2) any tangible or intangible property covered by this Insurance Contract that is affected by such Communicable Disease. It is clarified that (1) no other prior, concurrent or subsequent provision, clause, term or exception of this Insurance Contract (including (but not limited to) any prior, concurrent or subsequent endorsement and/or any provision, clause, term, buy back or exception that operates, or is intended to operate, to extend the coverage of, or protections provided by, this Insurance Contract by whatever name called like any coverage extension, additional coverage, global extension, exception to any exclusion); (2) no change in the law, clause or similar provision; (3) no follow the fortunes clause or similar provision; and/or (4) no change in the law or any regulation (to the extent permitted by applicable law), shall operate to provide any reinsurance, coverage or protection under this insurance Contract that would otherwise be excluded through the exclusion set forth in this Endorsement Clause.

5. If the insurer alleges that by reason of this Endorsement Clause any amount is not covered by this insurance Contract the burden of proving the contrary shall rest in the insured.

1013 : Terrorism Damage Exclusion.

This Policy excludes loss, damage, cost or expense of whatsoever nature directly or indirectly caused by, resulting from or in connection with any act of terrorism regardless of any other cause or event contributing concurrently or in any other sequence to the loss.

For the purpose of this exclusion, an act of terrorism means an act or series of acts, including but not limited to the use of force or violence and/ or the threat thereof, of any person or group(s) of persons, whether acting alone or on behalf of or in connection with any organisation(s) or government(s), or unlawful associations, recognized under Unlawful Activities (Prevention) Amendment Act, 2008 or any other related and applicable national or state legislation formulated to combat unlawful and terrorist activities in the nation for the time being in force, committed for political, religious, ideological or similar purposes including the intention to influence any government and/or to put the public or any section of the public in fear for such purposes.

This exclusion also includes loss, damage, cost or expense of whatsoever nature directly or indirectly caused by, resulting from or in connection with any action taken in controlling, preventing, suppressing or in any way relating to the above.

1014 : Earthquake (Fire & Shock) Damage Clause

In consideration of the payment by the Insured to the Company of additional premium, it is hereby agreed and declared that notwithstanding anything stated in the printed exclusions of this policy to the contrary, this Insurance is extended to cover loss or damage (including loss or damage by fire) to any of the property Insured by this policy occasioned by or through or in consequence of earthquake including flood or overflow of the sea, Lakes, reservoirs and rivers and/or Landslide/Rockslide resulting there from.

Provided always that all the conditions of this policy shall apply (except in so far as they may be hereby expressly varied) and that any reference therein to loss or damage by fire shall be deemed to apply also to loss or damage directly caused by any of the perils which this insurance extends to include by virtue of this endorsement."

In the event of the insured making any claim for loss or damage under this policy he must (if so required by the Company) prove that the loss or damage was occasioned by or through or in consequence of earthquake.

1016 : Warranty for 24 Hrs watch and ward arrangement.

1026 : Special Conditions concerning Fire Fighting facilities

It is Agreed and Understood that otherwise subject to the terms, exclusions, provisions and conditions contained in the Policy or endorsed thereon, the Insurers shall only indemnify the Insured for loss or damage resulting directly or indirectly from fire and/or explosion if the following requirements are fulfilled :

1. Adequate fire-fighting equipment and extinguishing agents of sufficient capacity must always be available at the site and ready for 4 immediate use.
2. Sufficient number of workmen must be fully trained in the use of such equipment and must be available for immediate intervention at all times.
3. If storage of material for the construction or erection of the contract works is necessary at site or any other location within India, storage must be subdivided into storage units. The individual storage units must either be at least 10 meters apart or separated by fireproof walls. All inflammable materials (such as shuttering material not fitted for concreting, litter, etc.) and especially all inflammable liquids and gases must be stored at a sufficiently large distance from the property under construction or erection and any hot work like welding etc.
4. Welding, soldering or the use of an open flame in the vicinity of combustible material is permitted only if at least one workman suitably equipped with extinguishers and well trained in fire-fighting facilities designed for the operation of the plant must be installed and serviceable.

1027 : Crops, Forest Areas, Cultivated Areas

Notwithstanding the conditions, provisions and other endorsements of the Policy, it is agreed and understood that the Insurers shall not be liable to indemnify the Insured in respect of any loss, damage or liability directly or indirectly caused to crops, forests and/or other cultures during the execution of the contract works.

1028 : Contract Works Time Schedule

Notwithstanding the conditions, provisions and other endorsements of the Policy it is understood and agreed that -

- a) The contract works time schedule together with plans, documents and specifications supplied and any other statements made by the Insured with respect of works programme is deemed to be incorporated herein.

b) The Insurers shall not indemnify the Insured in respect of loss or damage caused by, or arising out of, or aggravated by deviations from the contract works time schedule exceeding four weeks, unless the Insurers had agreed in writing to such a deviation before a loss occurred.

1029 : Amendment in firefighting endorsement wording

It is Agreed and Understood that otherwise subject to the terms, exclusions, provisions and conditions contained in the Policy or endorsed thereon, the Insurers shall only indemnify the Insured for loss or damage resulting directly or indirectly from fire and/or explosion if the following requirements are fulfilled :

1. Adequate fire-fighting equipment and extinguishing agents of sufficient capacity must always be available at the site and ready for 4 immediate use.
2. Sufficient number of workmen must be fully trained in the use of such equipment and must be available for immediate intervention at all times.
3. If storage of material for the construction or erection of the contract works is necessary at site or any other location within India, storage must be subdivided into storage units. The individual storage units must either be at least 10 meters apart or separated by fireproof walls. All inflammable materials (such as shuttering material not fitted for concreting, litter, etc.) and especially all inflammable liquids and gases must be stored at a sufficiently large distance from the property under construction or erection and any hot work like welding etc.
4. Welding, soldering or the use of an open flame in the vicinity of combustible material is permitted only if at least one workman suitably equipped with extinguishers and well trained in fire-fighting facilities designed for the operation of the plant must be installed and serviceable.

1030 : Warranty concerning underground cables and pipes

It is agreed and understood that otherwise subject to the terms, exclusions, provisions and conditions contained in the Policy or endorsed thereon, the Insurers shall only indemnify the Insured in respect of loss of or damage to existing underground cables and/or pipes or other underground facilities if, prior to the commencement of works, the Insured has inquired with the relevant authorities about the exact position of such cables, pipes or other underground facilities.

The indemnity shall in any case be restricted to the repair costs of such cables, pipes or other underground facilities, any consequential damage being excluded from the cover.

06 : Earthquake Extension Clause

It is hereby Agreed and declared that this insurance is included to cover loss or damage to any property insured by this policy occasioned by Earthquake Fire and/or shock including tsunami. Applicable Excess: As applicable to Act of God Perils.

10 : Extended Maintenance Cover Clause

In consideration of the payment of an additional premium by the insured (which is included in the Total Premium set forth in the Schedule), it is hereby declared and agreed that the indemnity provided by the policy is extended to include Maintenance Cover for the period of (As Specified in Schedule) months to be reckoned from the date of completion or handing over, provided the policy period has been extended till completion or handing over.

However, during the Maintenance Period this insurance shall cover loss or damage to the contract works -

- i) Caused by the Insured contractor(s) in the course of the operations carried out for the purpose of complying with the obligations under the maintenance provisions of the contract.
- ii) Occurring during the maintenance period provided such loss or damage was caused on the site during the erection period before the certificate of completion for the lost or damage section was issued.

Applicable Excess: As specified in policy schedule.
